

Kensington- Talmadge Community Association

Community Grant Application 2019

The Kensington-Talmadge Community Association is offering community grants for interested community members who want to make a difference by doing a project that makes an impact within the boundaries of Kensington-Talmadge. Each grant will be no more than \$1000. Grant applications are available on January 17, 2019 and are due (on-line) by April 15, 2019. Recipients of the Ken-Tal Community Grants will be announced at our May 16 meeting. Grants will be disbursed on a reimbursement basis—so keeping receipts and records is important. Please complete the form below and send it electronically to info@kental.org. Be sure to sign it and include contact information for the Primary Contact of the project. You may also go to www.KenTal.org and complete the application online.

Name of group/organization doing grant project: _____

Contact information of Primary Contact:

Name _____ e-mail address _____

Address _____ Phone _____

Briefly describe your proposed project. Include an itemized budget, and why you feel that your project will make a difference in our community:
